Mr. Potter,

I told you in my letter that I would let you know if we heard from Consecro. My sister , Elaine Howard, got her checks today, so I assume mine will come in tomorrow. As to getting the balance out, they tell us that we have a 78 day window beginning Aug. 8. We will both have our forms in on that day. I will let you know the results. Thanks for your interest in this matter.
